Is different from all the rank and file of romantic novels—so fresh and original in plot and treatment that it is the book of all others for Summer reading. You are sure to be interested in the story of Randalin, the beautiful Danish maiden who served King Canute disguised as a page in the brave old days of the Danish Conquest. Another distinctive feature is its beautiful appearance, especially the wonderful pictures in color.

## CLOSING THE SALOONS

Police Commissioners Will Hold Their Meeting This Evening

One Says They Cannot Enforce the Law Until They Know Officially It Is a Law.

MUCH POLITICS MIXED IN

The board of police and fire commissioners are to hold their regular meeting tonight, at the city hall and may fill a vacancy on the police force occasioned by the resignation of Officer John Hovions, and one in the South Side fire department occasioned by the resignation of Stationman John McFadden.

The committee of the Good Government league that called on Mayor Yeiser Saturday relative to the 10:30 closing law has been invited to be present and will doubtless be on hand. The board was called to meet Saturday night but failed to meet because the members were all busy and could not get there.

In regard to the 10:30 closing law the commissioners do not appear to think anything will be done with it at present. They say that while they do not profess to be lawyers, they are wise enough to know that officials know what the court of appeals decides only when they get the mandate of the court. That the mandate of the court of appeals has not arrived in the 10:30 closing case, and they have no right to, and would not attempt to enforce the law until they are notified officially by the court of appeals, through the mandate, what the law is.

One said this morning that the board had already issued instructions to the chief of police to order all laws enforced, and that that was as far as their authority went. As to what the laws are, that is something the commissioners are not expected to keep track of. They are not appointed to decide what is the law and notify the police officers that it is law. That the chief of police, Marshal Crow, will doubtless be guided by what is right and proper and order enforced the laws when they are laws, as city officials are usually guided by the advice of as good attorneys as anyone else.

Owing to the absence of Commissioner Pete Rogers the board may not fill any of the vacancies tonight. Judging from the talk of the commissioners, who were appointed by Mayor Yeiser and are strong Yeiser men, they do not take very kindly to the Good Government league agitation, because of the reports that politics is back of it, and that it is a Potter scheme to discredit the Yeiser administration.

"So far as the 10:30 closing law is concerned," said a commissioner today, "if a preacher was to see in the paper that some church away from here had extended him a call, would he on the strength of the publication pack his clothes and take his family there to assume charge of the church? I don't think he would. He might be certain the call had been made, and all that, but he would wait for the official papers, just as the police authorities are doing in this 10:30 closing case, and have to do."

There is already talk of bringing in an ordinance in the boards to repeal the 10:30 ordinance as soon as an effort is made to enforce it. Some of the members of the council, it is claimed, voted for the law on the supposition it would be declared unconstitutional, and are anxious now to vote for a repeal, while no trouble is anticipated in getting a repeal through the board of aldermen.

## "13" AT THE WHITE HOUSE

PRESIDENT'S NEW WEDGEWOOD DINNER RECALLS INSTANCES OF HOODOO NUMBER.

To those who are influenced by the old superstition of sitting down to table 13 in number, an invitation from the president to dine at the White House off the new state service of china, manufactured by the famous firm of Wedgwood, may well be looked at askance. Whether intentionally or by accident, the mystic number is curiously repeated in the crest, and even in the transaction by which the service was ordered. Any one who visits the St. Louis exposition may observe the former, as the service is to be placed, there on view. To begin with, there are, of course, 13 stars and 13 bars in the shield, representing the original 13 states of the union. In one claw the eagle clasps 13 bolts and in the other an olive branch upon which there are 13 leaves and 13 berries. The pinions of the eagle, too, have 13 feathers, and it will be found that there are 13 letters in the motto "E Pluribus Unum." Further, there are 13 letters in the Christian names of the president and his wife—Theodore and Annie—and 13 letters also in Staffordshire, the county in England in which the Wedgwood ware is manufactured, but perhaps the most significant fact of all in this respect is that the service was delivered on Friday, the 13th of February, of this year.

Under these circumstances it would seem to require only a party of 13 to make any one sensitive of such matters search his mind diligently for an excuse to absent himself from the table—Collier's Weekly.

### The Progress of Cremation.

Cremation within the past few years has made much progress in Europe, and still greater progress in the United States. San Francisco at the present time leads the world in the number of its citizens who are yearly cremated. Despite, however, that more persons are, year by year, subjected to this process, there still exists much prejudice against cremation among the population at large.

\$28.80 ST. PAUL AND RETURN, MONON ROUTE.

The Monon Route will from now until September 3 sell round trip tickets to St. Paul and Minneapolis at \$28.80 from Louisville. Low rates also to other points in the Northwest. Address E. H. Bacon, D. P. A., Monon Route, Louisville, Ky.

### She Was Willing.

Rev. Dr. W. R. Huntington in an address at the opening of St. George's home for deaconesses in New York city told about a Grace church Sunday school teacher who conducted her class in a friendly, informal way. One day when she said "Let us pray," a new little girl piped up cheerfully, "Yes! Let's!" She was willing to try the game, anyhow.

### Are Enemies No Longer.

An interesting feature of the funeral of Col. William L. Heernance, which took place at Yonkers, N. Y., last week, was the presence of Col. Benjamin F. Modina, formerly of the confederate army, who engaged in an impromptu duel with Col. Heernance with cavalry swords before Chancellorville, in which both were wounded and in which Col. Heernance was taken prisoner.

## OUTING SPOTS IN THE NORTHWEST

There are many places in the country of the Northern Pacific, some inexpensive, others better and more expensive, where one can spend the summer days pleasantly and healthfully. Among these are Walker in the Leech lake country, and Detroit and Battle Lake in the Lake Park region in Minnesota; Eaton's ranch, near Medora, N. D.; Hunter's Hot Springs in the Yellowstone valley, and Missoula and the Bitter-root valley in Montana; Lakes Pend d'Oreille and Clair d'Alene, Idaho; North Yakima in Eastern Washington, and Green River Hot Springs in the Cascades; Tacoma, Seattle, Port Townsend, Port Angeles and Victoria on Puget Sound, and many places along the Columbia river and on the Pacific Ocean from Portland as a center.

Those east of the Mississippi who wish a decided change should go to the Rockies or the Puget Sound and Columbia river and sea coast country. We can only hint at these things here, but write us giving particulars as near as you can, and we will try to give you the needed information to enable you to find what you want. And don't forget that Yellowstone Park is the chief of all tourist shrines.
